APPENDICES.

I published the papers shown in Appendix 1–9 in peer reviewed journals and books as part of my PhD research:

Appendix 1: Meijaard, E. 2003. Mammals of Southeast Asian islands and their Late Pleistocene environments. **Journal of Biogeography**.

Appendix 2: Meijaard, E. and Nijman, V. 2003. Primate hotspots on Borneo: predictive value for general biodiversity and the effects of taxonomy. **Conservation Biology** 17(3): 725-732.

Appendix 3: Meijaard, E. and Groves, C.P. 2004 (scheduled). The biogeographical evolution and phylogeny of the genus *Presbytis*. In: Jones, C.B. and Schwibbe, M. (eds.). Primate Dispersal: Proximate and Ultimate Causes and Consequences. **Primate Report** Vol. 68.

Appendix 4: Meijaard, E. 2004 (scheduled for January 2004). The biogeographic history of the Javan leopard *Panthera pardus* based on a craniometric analysis. **Journal of Mammalogy** 85(1)

Appendix 5: Meijaard, E. and Groves, C.P. In press. A taxonomic revision of the Tragulidae. **Zoological Journal of the Linnean Society**

Appendix 6: Meijaard, E. and Groves, C.P. In press. The geography of mammals and rivers in mainland South-East Asia. In: Lehman and Fleagle, J.G. (eds.). **Primate biogeography**. Kluwer Academic Publishers.

Appendix 7: Meijaard, E. and Groves, C.P. Submitted. Craniometric investigation of South-East Asian Cervidae. **Journal of Zoology**

Appendix 8: Lucchini, V., Meijaard, E., Diong, C.H., Groves, C.P., Randi, E. In prep. Phylogenetic relationships within the *Sus barbatus* species group based on variation in mtDNA sequences and skull and tooth morphology. **Animal Conservation**

Appendix 9. Meijaard, E. 2001. Successful sea-crossings by land mammals; a matter of luck, and a big body. A preliminary and simplified model. Pages 87-92 in Sudijono, and Aziz, F. (eds.). **Proceedings of the International Symposium on Geological Museum; towards ahead: Geological Museum in a changing world**, 22 - 24 August 2000. Special Publication of the Geological Research and Development Centre No. 27, Bandung, Indonesia.

Appendix 10. Phylogeny, ecology and distribution of some non-mammalian vertebrates, and invertebrates. Supporting information.
